

## CONFLICT OR BIAS WEB DISCLOSURE FORM

ORAU TEAM  
Dose Reconstruction  
Project for NIOSH

**DATE COMPLETED:**

8/8/2011

**ORAU TEAM EMPLOYEE'S NAME:**

Dickey, Joseph N

**EMPLOYER:**

MJW Corporation

- Yes  No      1. Are you currently engaged in any capacity (paid or unpaid) by the U.S. Department of Energy?  
\*A Yes indicates a conflict or bias with all DOE/AWE sites.

**DOE/AWE SITE(S) WHERE A CONFLICT OR BIAS EXISTS:**

Brookhaven  
National  
Laboratory  
(Corporate  
Conflict)

- Yes  No      2. Do you, or did you, **work<sup>a,b</sup>** at or for the DOE or AWE site (excluding student internships or fellowships and independent activities at the site funded by entities other than the site or site **operator<sup>c</sup>**, such as audits)?
- Yes  No      3. Do you, or did you perform DOE-funded dose assessments or reconstructions for individual workers at the DOE or AWE site?
- Yes  No      4. Did or does a **relative<sup>d</sup>** work at or for the DOE or AWE site or is an attorney representing the site or a site claimant; or is a **relative<sup>d</sup>** a site claimant?
- Yes  No      5. Do you, or have you acted as an expert witness (including a non-testifying expert) on behalf of the DOE/AWE site, site **operator<sup>c</sup>** or a site claimant for a radiation dose claim or suit?
- Yes  No      6. Do you have a **subordinate work relationship<sup>e</sup>** with a site claimant or with anyone who **works<sup>a,b</sup>** or worked at or for the DOE/AWE site (excluding instances where another supervisor has been assigned to review your site-related work)?
- Yes  No      7. Excluding employment addressed above and the receipt of retirement funds, to your knowledge, do you, or a **business partner<sup>f</sup>** have any financial or legal relationship with the DOE or AWE site, any site claimants or their survivor(s), or with an attorney representing the site, site **operator<sup>c</sup>** or a site claimant?

**Feed Materials  
Production  
Center (FMPC)  
(Personal  
Conflict)**

#### DEFINITIONS:

- a. The term "**work**" means employment as a production manager, or management, direction or **implementation<sup>b</sup>** of radiation protection and health physics program policies, practices or procedures for the site or site **operator<sup>c</sup>**. Student internships or fellowships and independent activities at the site funded by entities other than the site or site **operator<sup>c</sup>**, such as audits, are not considered work for the site.
- b. The term "**implementation**" means developing, authorizing, controlling and/or professional level decision-making with regard to radiation protection and health physics program policies, practices, or procedures. It does not include mere adherence to those policies, practices or procedures by site personnel who are not directly employed by the health physics program.
- c. The term "**operator**" refers to the governmental and/or corporate entities, including their subcontractors, responsible for performing and overseeing day-to-day work activities at the site.
- d. The term "**relative**" means current spouse, child, parent, sibling, or grandparent and any survivor(s) of the same.
- e. The term "**subordinate work relationship**" means a relationship with an individual who is in the same reporting chain and who is within two organizational levels above your level in the organization.
- f. The term "**business partner**" means a partner who ordinarily takes part in the daily operations of the business, shares in the profits and losses, and is personally responsible for the partnership's debts and liabilities.
